

## Newbie Program

Our goal is to have this be an amazing experience for these young dancers! We have tried to select the best classes for their age bracket and put together a program that is reasonable for them. If we've missed their favorite class (like tap) you can purchase the class individually from the front desk. If you feel that your dancer is ready for a higher intensity weekend, you can move them into the full day program (but they would not participate in the show). We are here to help you have a great weekend, please let us know if you have any questions.

Thank you,

Nichole Fortunato, Director
